

FRANK WEBB - C.V. FOR BOTSOC COUNCIL ELECTIONS

Frank Webb - age 74; Married to Belinda; has lived in Mbombela for 48 years.

I graduated with a B.Comm. deg. from UKZN and attended a Programme for Management Development course at Harvard Business School, Boston, USA

Corporate career - I worked for 2 manufacturing factories involved in Manganese beneficiation into pure Manganese based products. I started as Accountant and progressed through the ranks to Commercial Director responsible for Accounting; Sales and marketing in Asia; Supply Chain Management both inwards and outwards, and Human resources. I ended my service as the Managing Director of their International Marketing company based in the UK before retiring in 2003.

Personal - I have always been a committee person serving primarily as either Chairman or Treasurer of organizations where I enjoyed my hobbies of the day. This encompassed, initially, Sports clubs - tennis and yachting and Service organisations - LIONS and JAYCEES. When the children went to school, Schools - Parent Teachers Associations and Governing Bodies; since retiring - Methodist Church - all levels of leadership and finance and currently Chairman of BirdLife Lowveld and BotSoc Lowveld. I have relinquished all my Church involvement and am slowly withdrawing from Birdlife so as to concentrate on BotSoc affairs.
