Great Southern Bioblitz umbrella: <https://www.inaturalist.org/projects/great-southern-bioblitz-2021-umbrella>

Southern Africa umbrella GSB project:

<https://www.inaturalist.org/projects/great-southern-bioblitz-2021-southern-africa-umbrella>

Cape Town GSB project. You need to join this one for your observations to count towards the Cape Town project:

<https://www.inaturalist.org/projects/great-southern-bioblitz-2021-cape-town>

Overstrand is also taking part this year so join their project if you upload observations from that area: <https://www.inaturalist.org/projects/great-southern-bioblitz-2021-overstrand>

If you join this project any threatened plant that you upload will be added to this project automatically:
