

Frank Webb C.V. FOR BOTSOC COUNCIL 2023-24

Frank has served as Treasurer & then Chair of the BotSoc Lowveld Branch, since 2010. He served on BotSoc Council in 2013-14 and again 2021-23 . He graduated with a BComm degree from the University of KwaZulu-Natal and attended a Programme for Management Development course at Harvard Business School in Boston, USA.

Frank's love of nature is clear through his involvement and support of nature-based organisations. Aside from his involvement in BotSoc he has also served as Treasurer and Chair of BirdLife Lowveld from 2003 until February 2022

More about Frank

Frank worked for two manufacturing factories involved in Manganese beneficiation into pure Manganese-based products. While he started as accountant, he quickly progressed through the ranks to Commercial Director responsible for Accounting; Sales and Marketing in Asia; Supply Chain Management, and Human Resources. He ended his service as the Managing Director of their International Marketing company based in the UK before retiring in 2003.

Frank is a widely experienced committee person, serving primarily as either Chair or Treasurer of organisations that allowed him to enjoy his hobbies. Throughout his adult life, he has been very involved in sports clubs, including tennis and yachting, as well as service organisations such as LIONS and JAYCEES. He has also served on parent teacher associations and governing bodies of the schools his children attended, as well as on church organisations within the Methodist Church.
